

Antimicrobial Hand Sanitiser

The Hygiene Revolution™

Byotrol is a hygiene revolution. Its patented formula combines biocides in a way that amplifies their effectiveness, making them work longer and more gently than previously thought possible. **Byotrol Hand Sanitiser** is an alcohol free skin sanitiser that leaves a germ-fighting barrier on your hands for up to 6 hours.

Description	Colourless, unscented, skin sanitiser	Sizes	Ready to Use: 50ml Hand pump; 600ml Desktop pump 800ml Dispenser refill sachet; 5L / 25L / 210L / 1,000L
MSDS	B1919		

Tested	Successfully passed European Standards EN1276 against bacteria (TC 1, TC 63 and TC 64), EN1650 against yeasts (TC 63), EN1500 Hand Rub Test (TC 143) and EN14476 against viruses (TC 53 and TC 54). Residual efficacy testing against bacteria (TC 101 and TC 125). SABS 1853 and NRCS accredited.
---------------	---

Powerful	Independently tested to be effective against many pathogens commonly transmitted by hands including <i>S. aureus</i> , <i>E. coli</i> , Salmonella, Herpes Simplex Virus and H1N1 Swine Flu.
Long-lasting	Long-lasting and continues to work even after it dries providing up to 6 hours barrier protection in-between hand hygiene protocols
Gentle	Byotrol does not strip away the skin's natural oils and does not lead to dermatitis, often associated with alcohol-based sanitisers.

Application	Hands. It can also be applied to the rest of your body as a skin sanitiser.
--------------------	---

pH	5-7
-----------	-----

Ingredients	Aqua, Polyhexamethylenebiguanide, Didecylidmonium chloride, Benzalkonium chloride, caprylyl/capryl glucoside, dimethicone. Active ingredients < 1%.
--------------------	---
